

New & Improved SKINNY MAGIC™

with *Patented Ingredient

works for both **MEN & WOMEN**

SKINNY MAGIC™ CLEANSE

**Supports Skinny Magic™

**Regularity and Toxin Elimination Formula

As you know, over the last 18 months we have added a few new products to the Skinny Magic™ family. (Note: ***With any dietary supplement always listen to your own body when it comes to whether or not the product is right for you to take!)

1st the new & improved Skinny Magic™ with the Patented Ingredient *ADVANTRA-Z® is our Hi-energy weight loss formula with 100 mg of natural caffeine (Folgers Coffee Singles: One serving equals one coffee single for each 6-ounce cup of water. The caffeine-per-cup may vary according to how long it is brewed: Milligrams of Caffeine per Serving: Regular: 116.7 mg/single 6-ounce cup)
2nd Zero Appetite™ (referred to as our decaf formula with **Dicafeine Malate) is our appetite & sugar craving control formula. The energy that comes from the Zero Appetite™ formula is from

the B-12 & SCHIZANDRA EXTRACT (Ginseng). Zero Appetite is for those who do not need that extra energy boost but need to control their appetite and lose weight by eating less therefore weigh less.

3rd Skinny Magic™ Ultra (Known for being the best Mood Enhancement every formulated) people are calling the Ultra formula "the happy pill". The Ultra has 17 ingredients that was advertised on a famous Dr. TV Show. Ultra is a wonderful mood enhancement, smooth long lasting energy and one of best weight loss formulas on the market today.

4th Skinny Magic™ Cleanse is an all natural way of staying regular and cleansing the colon. Skinny Magic™ Cleanse can help speed up your weight loss when taken with any of our 3 weight loss formulas.

Historical use for ingredients found in the Skinny Magic formula

NIACIN known as vitamin B-3, Niacin has many benefits for the human body and performs many necessary functions, such as removing toxic chemicals, making DNA related repairs, processing calcium, transforming carbohydrates into glucose (sugar) from which one gets energy.

VITAMIN B6 Helps break down digestive proteins. The higher the protein intake, the greater is the requirement of vitamin B6

VITAMIN B12 The most common benefit of B12 is its ability to boost ones energy level. A famous Dr. seen on TV says that a deficiency of vitamin B12 can limit your ability to think clearly about anything!

CALCIUM (as Coral) It is a natural dietary supplement that contains dozens of natural minerals and vitamins that the human body requires for good health, including Vitamin D and magnesium. Having sufficient calcium in the body has been known to prevent high blood pressure caused by stress and cramping of the muscles, as well as bone diseases. Magnesium (as Coral) is a mineral that's crucial to the body's function.

MAGNESIUM helps keep blood pressure normal, bones strong, and the heart rhythm steady.

Note: Some experts feel that by adding Calcium and Magnesium to Energy and Weight Loss Formulas people experience a smoother energy level and a more balanced PH.

CHROMIUM (as Polynicotinate) said to have greater biological activity than other forms of Chromium. CP could help stabilize blood sugar levels and can be critical to the synthesis of cholesterol, fats and proteins. CP consists of pure niacin-bound chromium, identified by US Government researchers as the active component of true GTF (Glucose Tolerance Factor).

SODIUM CHLORIDE is necessary to help your body maintain fluid balance, help your muscles relax and your nerves transmit signals. Sodium chloride also helps maintain normal blood pressure.

ENDURLAC™ (Glucuronolactone) is found naturally in the body as a substance produced by the metabolism of glucose in the human liver. It helps the formation of glycogen, thus it is considered an ergogenic aid that can help athletic and exercise performance and recovery. It also helps remove metabolites that could potentially damage liver, thus it provide protection of liver.

CAFFEINE ANHYDROUS has a number of health benefits such as improving muscle recovery by replenishing the body's glycogen supply at a faster pace. This particular effect of caffeine has been known to improve post-workout recovery by as much as 48%. Caffeine anhydrous is also known to improve motivation and cognitive functions by dosing the brain with higher levels of dopamine.

BETA PHENYLETHYLAMINE HYDROCHLORIDE is related to the well known family of ...Tyramine is derived from tyrosine, which is an amino acid. (Trace Mineral Blend) Referred to as "PEA" Studies show phenylethylamine can relieve depression. Phenylethylamine is used as an appetite suppressant, included in weight loss. It too may contribute to a greater reliance on fat as an energy source.

***ADVANTRA-Z®** (providing 12.5 mg synephrine) (unripe fruit) Advantra Z® is the only Citrus Aurantium, bitter orange or citrus extract for weight loss and physical performance in North American market. While Zhisin LLC holds both the U.S. and Canadian patents, Nutratech is the exclusive worldwide license for Advantra Z®. The U.S. patents (6,224,873; 6,316,499; 6,340,481; 6,340,482) relate to the use of Citrus Aurantium, bitter orange or citrus extracts for, but not limited to: stimulating thermo genesis, reducing weight, and increasing lean muscle mass to total body mass, improving athletic performance and suppressing appetite

STINGING NETTLE EXTRACT is highly nutritious; it's also known as a natural cleanse that removes metabolic wastes and is both gentle and stimulating on the lymph system. Also known as a diuretic.

APPLE CIDER VINEGAR may aid in weight loss by stabilizing the blood sugar for a longer period and helping to control the appetite. It can help with common indigestion and gastrointestinal discomfort caused by certain foods and it is said to clear up chronic acid reflux when taken religiously.

CHOCAMINE® benefits, including increased energy, appetite suppression, increased lipolysis (fat burning), improved mood, improved concentration, increased alertness, improved physical performance, aphrodisiac properties, and other health benefits.

BARLEY GRASS is richer in individual vitamins and enzymes than many other known super-foods. The real benefit and power of Barley grass is the combination of all these nutrients and enzymes in one food.

BLADDERWRACK is a form of kelp. The main use of the herb has been for the stimulation of the thyroid gland as a treatment for

obesity and cellulite. The high iodine content of the herb stimulates thyroid function which boosts metabolism.

AQUAMIN is a complete natural mineral complex produced from specially harvested red marine algae found off the coast of Ireland.

THEOBROMINE when used as a diuretic has stimulant and relaxing effects. Theobromine has been known to lower the blood pressure because it has the ability to dilate blood vessels. Theobromine does not affect the central nervous system.

VANADIUM AMINO ACID CHELATE required minerals for the proper growth and maintenance of the body.

L-CARNITINE (TARTRATE) show many beneficial properties, especially in weight loss and the burning of fat. This nutrient is capable of turning fat into energy, and restores depleted muscles after strenuous exercise and bodybuilding.

L-GLUTAMINE is the body's most abundant amino acid. It plays an important role in keeping the muscles functioning properly and helps reduce muscle deterioration. It is also converted into glucose when the body needs more energy.

MAQUI (ARISTOTELIA CHILENSIS) BERRY POWDER This super fruit is becoming better known as an excellent source of antioxidants and may be beneficial for detoxification as well as aiding in weight loss.

PROTEASE is an enzyme that functions mainly to help digest different kinds of proteins. It break down the bonds by a process known as hydrolysis and convert proteins into smaller chains called peptides and smaller units called amino acids.

AMYLASE is one of the primary starch-digesting enzymes secreted in the body. It is somewhat unusual in that it is produced not only by the pancreas but also in the mouth as a component of saliva.

Lipase is an essential enzyme for the digestion of fatty (lipid) substances either in the diet or as a part of normal human metabolism. It is responsible for breaking down (hydrolyzing) fats into smaller components that can readily be absorbed through the intestines.

What are people saying about the new & improved Skinny Magic™?

From one of our retail stores in *Missouri: My son Justin and I both love the new & improved Skinny Magic™. We were both concerned about any change to our number one selling product Skinny Magic™. I am to say that we and our faithful customers are more than pleased with how the new Skinny Magic™ makes you feel. The energy, appetite control and the mood enhancement is lasting longer. Just when you think the is fading away the new Skinny Magic™ gives you more smooth energy without any jitters or shakes.

*Note: This is from the number one Skinny Magic™ retailer in the US, Janet and her son sell over \$100,000 a year in Skinny Magic™.

From one of our independent Drug Stores in *Mississippi: We cant keep the new Skinny Magic™ in stock. I am please that to folks at Skinny Magic™ call us every couple of weeks, because when are out of Skinny Magic™ almost everytime someone will place the Skinny Magic™ display out of sight so customers will stop asking but like the old saying "out of sight out of mind".

Skinny Magic™ ...for your weight loss success!**

SUGGESTED USE: to achieve the best results with Skinny Magic™
Day 1 and 2 take one capsule with 8 to 12 fluid ounces of water 30 minutes before breakfast.

Day 3 and 4 take one capsule with 8 to 12 fluid ounces of water 30 minutes before breakfast and if additional Energy and Appetite Control is desired take one capsule with 8 to 12 fluid ounces of water 30 minutes before or after lunch.

Day 5 and thereafter take one or two capsules daily as needed. If two capsules a day is too much, decrease dosage to your preference. It is not necessary to take the maximum dosage to receive the best benefits. Do not exceed 3 capsules daily. Do not take your last dose within 7 hours of going to sleep as sleep may be impaired.

Recommended: Week 1 - Take for 6 Days and have one "Cheat Day"

Week 2 - Take for 5 Days and have two "Cheat Days"

Alternate Weeks - Repeat this process alternating weeks until you reach your goal.

Introducing
SKINNY MAGIC™ ULTRA

Skinny Magic™ Ultra is the unique all-in-one product. Because of a well known Dr. and his TV Show comments on Natural Alternative Energy and Weight Loss Supplements people have been rushing out to buy from retailers all over the country. The reality is most of these single ingredients or products do not work alone. Most retail stores that we have talked do not receive repeat business on the ingredients or products unless this famous Dr. does another segment of the same ingredient on his TV Show.

Skinny Magic™ Ultra... Eat Less & Weigh Less! Customers that are taking the Skinny Magic™ Ultra are telling us that they have more Energy throughout the day and they are eating less.

Skinny Magic™ Ultra with its unique Amp-PEA™ mood enhancement customers are telling us that they love how it makes them feel.

Works for Both Men & Women!
